

## EXPRESSION OF INTEREST

### Spring Mountain State School, 2019

#### Please Note

- This form is an expression of interest in enrolling your child at Spring Mountain State School. Completion of this form does not constitute enrolment into the school.
- An Enrolment Management Plan (EMP) is in place for the school, with a corresponding boundary catchment map. Students who are age appropriate and comply with the criteria in the Enrolment Management Plan and whose parents can verify they permanently reside within the catchment will be contacted to commence a formal enrolment process.
- Students who do not permanently reside within the catchment area, can be placed on a wait list and will be assessed according to the criteria set out in the Enrolment Management Plan. However, it is unlikely that out of catchment families will be accepted due to the high growth in the Spring Mountain area.
